Child Care Resource & Referral

**CCRR is a Program of Sundrops,
Funded by the Province**

A child wearing a blue jacket and dark pants is kneeling in a sandbox. They are using a yellow shovel to pour sand into a green toy dump truck. The truck is filled with sand and has a red rear panel. The scene is set in a sandy area with some small debris.

The CCRR team has proudly put this catalogue together. These are the instructions:

Flip the pages, borrow, enjoy again and repeat :)

Service Standards for Child Care Providers

The Toy and Resource Lending Library provides access to resources and equipment that is developmentally and culturally appropriate to enhance the child care setting suitable for birth to age 12 years. This is a FREE service funded by the province.

Items may be borrowed for up to one month (30 days) on a “first come, first serve” basis, extensions at CCRR discretion.

The provider is fully responsible for the condition of items returned, and any fee(s) charged if items are lost and/or damaged.

Please refer to itemized check list supplied with each resource, prior to returning.

The provider accepts sole responsibility of any injuries sustained during the use of CCRR’s toys and equipment.

The Provider MUST be a Registered with the Cowichan Valley CCRR and Agrees to the Following:

- CCRR Toy Lending Library items will only be used under supervision ensuring that the use of items are age appropriate.
- The CCRR can be contacted before the due date, to request renewal of items for a 2nd month.
- If returned items are missing pieces, a four (4) week “grace period” will be allowed to find these items.

Service Standards for Child Care Providers

- Missing items not returned by the end of the “grace period” will be considered lost and a \$5.00 processing fee AND any replacement costs will be charged to the registered borrower.
- Payment will be due within 30 days of receiving the invoice to ensure continued lending privileges or access may be suspended for a period of up to 3 months (this may include repeatedly returning items late).

Two (2) Theme Boxes and two (2) other items may be borrowed at one time.

- The CCRR will be notified of any changes to the Borrowers Contract (change of management, borrowers, etc.)
- Practicum students may be added by the Child Care Manager; borrowing is limited to each specific placement
