Cowichan Valley CCRR Updates

Big move!

Cowichan Valley CCRR has moved!! We are no longer located on the main floor in the Clements Centre Building, instead we are moving to the Yellow House next door!

Parking will still be located in the Clements Centre parking lot. Follow the CCRR signs out front of the yellow house, up the ramp and in the front door. All Toy Lending Library Items will still be located in the Clements Building, let staff know when you are coming by and we will meet you there!
